DETAILED ACTION

EXAMINER'S AMENDMENT

1. This application is in condition for allowance except for the presence of claims 4, 14 and 24 directed to species non-elected without traverse (11/29/07). Accordingly, claims 4, 14 and 24 have been cancelled.

Allowable Subject Matter

1. Claims 1-3,6,7,9-13,16,17,19-23,26,27,29-39, renumbered 1,2,8,3-6,11,12,18,13-16,21,22,28,23,24-26,7,17,27,9,19,29,10,20 and 30, respectively are allowed. The following is an examiner's statement of reasons for allowance: Claims 1-3,6,7,9-13,16,17,19-23,26,27,29-39 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches a method comprising: *receiving, at the peripheral printing device via the communications network, information identifying a plurality of suppliers for at least one consumable in response to the request; wherein the received information further comprises information identifying a quantity of the at least one consumable at each of the identified plurality of suppliers, and the method further comprising the step of displaying or printing each identified quantity of the at least one consumable*, as recited in claim 1 including all of the other features recited therein. It follows that corresponding claim 11 and similarly claimed 21 are allowed for the same reasons stated for claim 1. It also follows that the dependent claims are allowed for depending on allowable claims 1, 11 and 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
